This Application is free of charge and may be duplicated.

Application Deadline: December 13, 2015

Program Description: Secondary school students and educators (teachers/community leaders) from **Takeo Province** are invited to apply for participation in the Southeast Asia Youth Leadership Program. The program will employ an interactive approach both in workshops and in a range of public and community settings. Through engagement in the activities of U.S. high schools, community organizations, youth groups, and community leaders in each location, the student and adult participants study the challenges facing the U.S. and ASEAN in the 21st Century.

The program will be intensive, academic, and interactive. The program sponsors seek energetic applicants who are ready to develop their skills in order to be effective leaders in their schools and communities. Adult participants in this program take on a unique role as a participant role model as well as chaperone, and as an active program participant.
